Hi all,

Any chance we can set a team meet for when you're all up and running again. I think for Les, anytime after the 14th & Miki, does that work for you ..will you be back in the office by then? Ideally, love to catch up with everyone that Thursday, the 16th or Friday, the 17th (either later morning or early afternoon). I'll have a full breakdown for you all along with lots of good stuff - we are up to 22 community organizations that will be part of the market in the coming months. Added three new farmers, have a handful of other new food vendors rolling in. Feel pretty fired up to head in strong for the Spring season. Also would love to go over the special event schedule and potentially gear up additional marketing for the Spring Fest, March 19th -- looks like we will have a lot of groups participating and it could be ideal timing to do up a more robust marketing push (potentially with door hangers and target not just Westchester but a couple zips in Inglewood too).

Onward and upward! :)

Here anytime,

Best,

Cynthia
